COROWA WETLANDS AND RAIL TRAIL

Distance: 18km approximately
Surface: Sealed Roads and Made Trails
Grade: Easy

Description: Experience part of Australia's Federation History along this trail journey. Using some of the existing network of trails and roads, this is a fantastic trail for all the family. Highlights of this trail include the Corowa Wetlands area which is currently being developed. Enjoy acres of natural growth of Billy Buttons and wildlife including Brolgas which breed on the site. Experience indigenous history as you pass the Aboriginal Canoe Tree located near Baden Lodge. Take a self guided journey in and around the town, play in the parks, swim in the river and take in the warmth and hospitality of a diverse range of restaurants, cafes and classic Australian Country pubs.

TWO BRIDGES & GRANTHAMS BEND TRAIL

Distance: 10km approximately
Surface: Sealed Roads and Earth Trails
Grade: Easy

Description: Discover the true beauty of the Murray River on this trail with breathtaking views from Granthams Bend. Grantham's Bend provides numerous tracks meandering through the forest and offers plenty of good fishing spots to catch the famous Murray Cod. The John Foord and Federation Bridges connect Corowa and Wahgunyah. The John Foord Bridge construction was completed 1892 and named after early pioneer John Foord. A new bridge was officially opened on 2 April 2005, known as the Federation Bridge named in recognition of the significant role Corowa played in the formation of the Nation of Australia as we know it today. A series of structural features on the Federation Bridge include the Federation Arch and the Barassi Line, a set of Australian Rules Football posts.

TOMMY McCRAE TRACK

Distance: 3km approximately
Surface: Made Trail
Grade: Easy

Description: As you travel along this track take the time to read the storyboards along the way. These will tell you of the history of the area and cultural facts about the original owners of this land. It was a very fertile forest cherished by Tommy McCrae and his ancestors. As you will see, between Wahgunyah and Lake Moodemere, the Tommy McCrae Track is the basis for a network of tracks which provides you with options for experiencing the different landscapes of the area.

NULLA NULLA SWAMP & REDLANDS HILL TRAIL

Distance: 19km approximately
Surface: Country Earth Trails and Made Roads
Grade: Moderate

Description: Wonder at the idyllic pastoral scenes that you will catch a glimpse of on this trail. It is a region without traffic lights, toll ways and parking meters. Travel past the remnants of the Corowa Deep Lead Gold Mine which was proclaimed at the site during 1861 with mining ceasing in early 1900's. Yuruga homestead (site of Caldwell's Corowa Vineyard closed in 1940) and the concrete gun replacement site which was established to defend Corowa Aerodrome during WW2. Nulla Nulla Swamp provides a natural drainage area to Redlands Hill. Tom Roberts was so inspired by the shearing shed activities on the property opposite the Redlands Hill Reserve that he painted his famous "Shearing of the Rams" in 1890. The shearing shed in the painting was later destroyed by fire.

COROWA COMMON & GOLF CLUB TRAIL

Distance: 15km approximately
Surface: Earth & Made Trails and Sealed Roads
Grade: Easy

Description: The Murray River is famous for its championship golf courses with 3 courses situated in Corowa Shire. This 12km trail provides a breathtaking glimpse of the Corowa Golf Club's manicured course. The golf club trail provides earth tracks, any time of the year but particularly good under the shady trees on early summer mornings. The common area provides a lovely short 3km trail particularly along the river bank amongst the gum trees. This trail can be travelled by itself or started in Corowa, or before the Golf Club trail. Weaving in and out of the beautiful landscape, the wildlife is often nearby and so too are perfect picnic spots.

WILLOWS RESERVE TRAIL

Distance: 8km approximately
Surface: Made and Earth Trails, Sealed and Gravel Roads
Grade: Easy

Description: The classic Australian country town of Wahgunyah was once a bustling river port. It is in a region rich in agriculture, mining and viticulture history. On this track make use of the BBQ or sit on the jetty and watch the mighty Murray flow by. Enjoy the flora in the area while watching and listening for one of the forty seven species of birds all around you.

LAKE MOODEMERE TRAIL

Distance: 13km approximately
Surface: Earth Trails, Sealed & Gravel Roads
Grade: Easy

Description: This is a delightful river red gum forest trail which is shaded in Summer. Experience the splendour of Lake Moodemere and why not stop and enjoy a picnic on its banks.
