

WEDDINGS AT

Koondrook Wharf

WEDDINGS AT *Koondrook Wharf*

The beautiful surrounds of the Koondrook Wharf offers the perfect romantic outdoor setting for your riverside wedding.

Lush lawn, towering red gums and views of the Murray River provide many unique photo opportunities for the bridal party and guests.

Viewing platforms weave over the river bank through the trees, while terraced concrete steps connect the wharf to the river bed.

Leading to the entrance of the wharf lays an old tram turntable, which has been resurfaced with red gum, slate and basalt artworks by renowned Aboriginal artists Glenn Romanis and Esther Kirby.

The Koondrook Wharf you see today officially opened during November 2016 and features a 28-metre gangway and floating pontoon. The wharf has received both national and international recognition for its design.

BOOKING THE *Koondrook Wharf*

You can book the Koondrook Wharf for your waterfront wedding ceremony for a small permit fee.

This includes non-exclusive use of the Koondrook Wharf Precinct. The Koondrook Wharf sits within Apex Park, Koondrook and is a public space open to all community members.

Apex Park in Koondrook is a declared Alcohol Free area. If alcohol is to be consumed at your event please complete an application for a consumption of alcohol permit online [here](#).

To secure your event date please complete the booking form online [here](#).
